**A Masterclass in Drama:
Bunscoil Success in Armagh!**

We are incredibly proud of our Bunscoil pupils, who gave a truly stellar performance at the Irish language drama festival held at The Market Place Theatre, Armagh.

Our KS2 students took to the stage with a brilliant production of "Éalú na gCearc," an original play written by An tUasal Mac Eoin. Every single student played their part with outstanding talent and enthusiasm, making it a day to remember for the whole school community.

The school's creativity and hard work were officially recognised with two fantastic awards:

- The Adjudicator's Prize: Awarded for the best costumes and props.
- Best Female Actor: A massive congratulations to Ríoghnach Nic Cába for taking home this prestigious individual award!

Comhghairdeas mór le gach duine—what a fantastic achievement!

Stars of the Month: Shining with Respect!

A huge congratulations to our Stars of the Month! This month, our focus has been on the core value of Respect, and these pupils have truly led by example.

Whether it was listening intently to their peers, showing kindness to staff or taking pride in looking after our school environment, these students have shown what it means to be a respectful member of our school community. We are so proud of how you carry yourselves and the positive atmosphere you help create in your classrooms.

Keep up the fantastic work—you are all wonderful role models for your peers!

Help Our School Garden Bloom!

We are thrilled to announce an exciting new project to transform the garden area at the side of our school into a vibrant, nature-rich sanctuary. Our goal is to create a peaceful space where pupils can explore the outdoors, observe "mini-beasts" and enjoy quiet reading time in the fresh air.

To bring this vision to life, our Eco Team is looking for donations and a few extra pairs of hands!

How You Can Help:

1. Donate Greenery & Materials: If you can provide any of the following, please leave them at the school entrance or the office:

- Bedding plants, outdoor plants, or small shrubs.
- Old tyres for upcycling into planters.
- Wood or materials for birdhouses and seating.

2. Join Our Volunteer Team: Whether you have "green fingers," DIY skills, or just a willingness to help, we would love your support with:

- Building wildlife habitats (bug hotels or hedgehog houses).
- Creating bird feeders and wildflower areas.
- Painting planters and constructing simple wooden seating.

Every contribution, no matter how small, helps make our school a more welcoming and vibrant place for our children to learn, play, and connect with nature.

Interested? Please contact the school office if you can offer any time, skills or materials.
